DISCUSSION ITEMS

New Strategic Plan

Mr. Frink reached out to Cindy Reisig of MASB's Leadership Development Department. They have an excellent strategic planning process that is highly regarded by many districts. MASB's skilled facilitators help districts use the program to its fullest potential. Debbie Stair manages the program and will walk us through the process when she returns from vacation. Ms. Reisig believes that they are booked for the remainder of this school year and scheduling plans for Fall 2025. There is some basic Strategic Planning information available on MASB's website.

We will email Ms. Stair a copy of our existing strategic plan or district goals. She will be able to recommend how MASB's strategic planning process can best fit our district.

School Resource Officer

The board discussed the SRO position.

The meeting adjourned at 7:18 p.m.

Respectfully submitted,

Angela Hamilton, Secretary
Clawson Board of Education
