## DISCUSSION ITEMS

### **Parent Representatives for OSPAC**

Oakland Schools Parent Action Committee, OSPAC, has representation from all districts within the county. This group of parents provides information to Oakland Schools about the parent perspective of having a child with special education eligibility and the school district they work with for their child's services. The parents will attend meetings at Oakland Schools monthly as well as meet with the Director of Special Education in their district.

The two current parent representatives, Anna Conerly and Clarissa Scheiderer, are no longer able to represent Clawson at OSPAC. We have identified two new parents, Katherine Wells and Erica Stevenson, who will represent Clawson at OSPAC.

The board will vote at the April 21, 2025 meeting to appoint the new representatives.

### **Oakland County Enhancement Millage**

There have been significant conversations around the County Enhancement Millage, and it has been decided that if the county has 50+% support from the 28 School Boards, it will be put on the August 2026 ballot at 1.5 mills for 6 years. Based on our current student count, that would bring us \$828,000 annually for those six years. Obviously, that would be a great boost to our district but we also know our last discussion, we all

agreed our residents had some voter fatigue and we decided we were a “no”. We need to have this discussion one more time to see if we are still there or not, and I will provide that to Oakland Schools for their tally.

### **Final 2023 Bond Plans**

The board discussed the final bond plans for 2023. One item that has been discussed is the scope of work for the remainder of the bond related to the remaining monies we have under budget. That money will be tentatively earmarked to redo the CHS/CMS cafeteria, which is likely the only space on campus yet to have any work done or official plans to be done. The board reviewed the final list from the Bond Steering Committee work that contained line items on which the Bond Steering Committee voted and made final decisions. As it stands, based on this list, the CHS/CMS Cafeteria would be next in line.
