## District Annual Education Report (AER) Cover Letter

February 2021

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2020-2021 educational progress based on (2019-2020 school year data) for the Clawson Public Schools. The AER addresses the complex reporting information required by federal and some requirements of state laws. Our staff is available to help you understand this information. Please contact Superintendent Tim Wilson for help if you need assistance.

The DISTRICT AER is available for you to review electronically by visiting our district website: [www.clawsonschools.org](http://www.clawsonschools.org) or clicking on this link: <https://bit.ly/3cWqXSt>

You may also review a copy of this report in the Executive Assistant's office at Baker. Each school will also be communicating their own AER to parents directly through the school page found on the district website: [www.clawsonschools.org](http://www.clawsonschools.org).

These reports contain the following information:

### Teacher Qualification Data

- Identifies the number and percentage of inexperienced teachers, principals, and other school leaders
- Reports teachers who are teaching with emergency or provisional credentials
- Includes teachers who are not teaching in the subject or field for which they are certified

### NAEP Data (National Assessment of Educational Progress)

- Provides state results of the national assessment in mathematics and reading every other year in grades 4 and 8

### Civil Rights Data

- Provides information on school quality, climate and safety

Review the table below listing our schools. For the 2019-20 school year, schools were identified using definitions and labels as required in the Every Student

Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that has at least one underperforming student subgroup. An Additional Targeted Support (ATS) school is one that has a student subgroup performing at the same level as the lowest 5% of all schools in the state. A Comprehensive Support and Improvement (CSI) school is one whose performance is in the lowest 5% of all schools in the state or has a graduation rate at or below 67%. Some schools are not identified with any of these labels. In these cases, no status label is given.

<b>School Name</b>	<b>Status Label</b>	<b>Key Initiative to Accelerate Achievement</b>
Clawson High School	No status label	Continue to increase math and reading proficiency  Focus on 9 <sup>th</sup> grade to ensure that all students are on track to graduate
Clawson Middle School	No status label	Continue to increase math and reading proficiency  Continue to offer Title I interventions for at-risk students in reading and math
Kenwood Elementary School	No status label	Continue to increase literacy and math proficiency  Continue to focus professional learning on literacy and math  Continue to provide interventions for students who are at-risk in reading and math
Paul A. Schalm Elementary School	No status label	Continue to increase literacy and math proficiency  Continue to focus professional learning on literacy and math  Continue to provide

<b>School Name</b>	<b>Status Label</b>	<b>Key Initiative to Accelerate Achievement</b>
		interventions for students who are at-risk in reading and math

We are happy to share these results with our community and encourage you to visit the AER site and explore the data. The goal of Clawson Public Schools is for each child to achieve to his/her fullest potential. The principals and teachers in our schools review and analyze several sets of student performance data and collaboratively select strategies designed to improve learning for all.

We are all aware of the need to increase student achievement. It has been a huge challenge to continue educating children during a world-wide pandemic. However, we are confident that our schools are on a path of continuous improvement. We are very proud of the teachers and students who work hard to increase student achievement every single day whether they are teaching remotely or in person. We congratulate our students, staff, and community as we all continue to work collaboratively and relentlessly to ensure that Clawson is a place where all students are successful, both academically and emotionally. To get involved in your school or district, please reach out to the main office of your child's school.

Sincerely,

Tim Wilson, Superintendent
