

Clawson Public Schools is pleased to bring you PayPal to make online payments. PayPal allows you to make school-related payments and child care payments online using your credit or debit card. Online Payments can be made using the following options:

School Related Fees

PayPal works in conjunction with your **MISTAR Parent Portal** account. Using the Student Body Accounting (SBA) will allow payments to be made for school-related activities (summer school, field trips, pay-to-participate fee, lost or damaged books, lost or damaged Chromebooks, etc.)

Click the link below for the instructions to make an online payment through your MISTAR Parent Portal Account.

[Parent Portal Online Payments and PayPal](#)

Please note that this system allows for online payments for students currently enrolled in grades Transitional Kindergarten through 12th grade only.

Clawson Child Care and Before and After School Child Care Fees

Weekly invoices for child care fees are emailed to parents. The invoices will contain a link to PayPal to make online payments.

Clawson Preschool Fees

Invoices for preschool fees will be emailed to parents. The invoices will contain a link to PayPal to make online payments.

Donations to the school district

Click the Donate Now button on the Clawson Public Schools website to make donations using PayPal.
